

Elements of Value:

- You're joining a tried and tested program.

The Professional Protector Plan has continuously insured dentists across the nation since 1969, providing a full range of practice insurance nationwide, including the District of Columbia, the Virgin Islands and Puerto Rico.

- You're backed by one of the most stable insurers.

The Professional Protector Plan is continuously re-examined and endorsed by many state and component dental societies as the best available coverage for their members.

- You're getting what you need, in a single program, to cover your practice.

The Professional Protector Plan is an integrated package of insurance responsive to the needs of dentists to help reduce dangerous coverage gaps and expensive coverage overlaps. It has been continuously enhanced since it was first drafted in 1969.

- You get responsive, knowledgeable service.

The Professional Protector Plan is available through select administrators in your state, chosen

for their experience and for their commitment to your practice.

The Coverage Concept:

- Option 1

The Complete Practice Protection Program for dentists who operate their own offices, the Professional Protector Plan offers a comprehensive package of professional liability, employment practices liability, property, practice income protection and employee dishonesty coverage, specifically designed for the dental practice.

- Option 2

The Customized Insurance Program offers a choice of coverages allowing you to customize your insurance policy to meet your individual needs, including:

- √ Professional liability coverage
- √ Professional and general liability coverage
- √ Professional liability, general liability and property coverage
- √ Dental Practice Property and general liability coverage
- √ Dental Practice Property coverage
- √ Volunteer Policy – for retired dentists wanting to volunteer their time and services

Prompt, Professional Service
